## Faces in the Crowd

Junior Mica Klebba smiles as she gives blood to help people in need.

Senior Chelsea Bergmann performs a scale as she leads the crowd in a cheer.

Freshman Cheylo Cannon shows off his DNA structure to his biology class.

Junior Luke Simmons plays a mean game of Knockout at the pep rally!

Juniors Hallie Scott and Danielle Kabat rock away at the Student Council Rock-A-Thon.

## Top 10

By: Payton Schoenbeck

### Top 10 Things to Do On a Snow Day

10. Build an igloo out of ice crystals.

9. Make up homework that you will have due after the snow day, of course.

8. Read! We don't want to wait until the last minute to get our AR points.

7. Figure skating without skates on a frozen pond.

6. Watch cars outside as they slide on the road.

5. Watch the movie Elf because the best way to spread Christmas cheer is singing loud for all to hear.

4. Meet some friends in town... oops, the roads are too bad to get out.

3. Sit, think, and laugh about other people that are in school.

2. Throw snowballs at your siblings and say it wasn't you.

1. Text—because we would never do that in school.

## Math is Everywhere...

Even on the Christmas tree! Mr. DeBoard, WHS math teacher, discovered the idea for a Christmas ornament activity in the math classroom at a conference about 10 years ago. Students are required to create a math/algebraic-related Christmas ornament that he will display on his classroom Christmas tree. Mr. DeBoard loves Christmas time and enjoys spreading the joy into his classroom. This year, he received a variety of very interesting ornaments! Krista Storment, freshman, created an equation that stated "Christmas minus Jesus = Zero" because she wanted to include the real meaning of Christmas in her ornament. However, Krista said, "I loved Dawson's (Verhines) ornament! It was a picture of him next to the SMARTBoard—just like Mr. DeBoard. It was funny and very creative!" Jordan Wehrheim, junior, decided to create a Rubik's cube in Christmas colors. He said that the activity was fun and that Mr. DeBoard is crazy! Emmalee Jolliff, junior, had a sweet idea—she used Hershey kisses to form a pyramid, then used aluminum foil to perfect the shape. She said it was a fun project and that she enjoyed seeing it come together in the end. Many of the ornaments are pictured online at the WHS Photo Gallery.

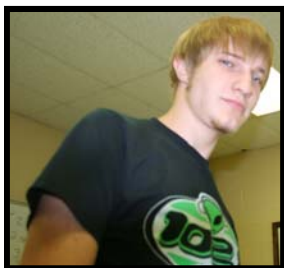

**Top:** Only Mr. DeBoard would have a Christmas tree filled with math-related ornaments! **Bottom:** Having a little fun with the word "pi/e," Freshman Brecca Mullinax created a tasty ornament.

## Student Spotlight

### John Pace, Junior Son of Brad and Patty Pace

By: Alex Burns

**Something about yourself:** I have a banana shaped scar on my head.  
**Wie geht's? (How are you?)** Hubsch gut, Phantastisch (good, fantastic)  
**So, how long have you been learning German?** I'm not learning it. I just know a little.  
**Do you plan on going to Germany?** Yes, I would love to go someday.  
**What reality show would you most likely be on?** The Bachelor  
**Would you win anything?** A woman  
**What class do you take for AVC?** Auto Computer-Aided Drafting  
**Favorite thing to do on the weekend:** Hang out with my girlfriend and my friends.

## Students of the Month

### freshman

**Jessica Ferguson**  
Daughter of Rodney Ferguson and Jeannette Rynski

### sophomore

**Chelsea Burns**  
Daughter of Mike and Charla Burns

### junior

**Sandra Arnold**  
Daughter of Patrick Arnold and June Dennis

### senior

**Kelsey Korris**  
Daughter of Ralph Korris and Rob & Cynthia Isaac

WHS faculty members nominate students to receive the Principal's Award based on attitude, attendance, and outstanding effort in class. One student from each class is then selected to receive the Principal's Award and, from those students, an overall Student of the Month is chosen.

**YEARBOOK ADS**—In order to make a yearbook you have to have money. One way the school publications class gets the money is to sell yearbook ads. This means that students go from business to business asking if they would like to put an ad in our yearbook. Ads come in different sizes. Each size is a different price. A 1/8 page is \$40. A 1/4 page is \$75. A 1/2 page is \$150 and a full page is \$250. When a business puts an ad in our yearbook, they are showing support of our school as well as helping us keep the cost of the yearbook at a reasonable price. If you have not purchased an ad and would like to, please contact Kelly Owens at 735-2631 or kowens@roe25.com. We are thankful for all of the businesses that have help and support our yearbook! We couldn't do it without you!
